Whitenoise Invited to Join National Cyber Security Forum

Vancouver, British Columbia, Can-

ITAC's Cyber Security Forum is an industry-government policy roundtable that meets quarterly to discuss issues such as cyber crime, cryptography policy, critical infrastructure protection, national security, network security, spyware, phishing, etc.

The Information Technology Association of Canada (ITAC) is the voice of the Canadian information and communications technologies (ICT) industry. ITAC represents a diverse ICT community spanning telecommunications and internet services, ICT consulting services, hardware, microelectronics, software and electronic content. ITAC's community of companies accounts for more than 70 per cent of the 572,000 jobs, \$140.5 billion in revenue, \$6.0 billion in R&D investment, \$31.4 billion in exports and \$11.4 billion in capital expenditures that the ICT industry contributes annually to the Canadian economy. ITAC is a prominent advocate for the expansion of Canada's innovative capacity and for stronger productivity across all sectors through the strategic use of technology.
